

ELLINGTON MUTUAL INSURANCE COMPANY

Attention:

Graduating High School Seniors!

- **Are you planning on attending college or technical school?**
- **Could you use \$500 toward tuition?**

Ellington Mutual Insurance Company awards scholarships each year, in the amount of \$500 each, to graduating seniors who plan to attend a college or technical college.

To be eligible the student's parents must be policyholders of Ellington Mutual Insurance Company.

The scholarships are awarded for the second term (semester) and will be sent to the student upon satisfactory completion of the first term (semester). The scholarship winner must present, in writing, to the General Manager of Ellington Mutual Insurance Co., proof of successful completion of their first semester and intent to enroll in a second semester. Their photograph will appear in our annual newsletter.

Applications should be submitted through your high school guidance department or directly to:
